HSCIC role in the NCMP...

- **Providing Parental Feedback and Upload tools, guidance and a bespoke website just for NCMP**
- **Contact centre and Lifestyles team support**
- **Online data checking**
- **Validation, analysis, publication and data sharing**

Recognition of the NCMP Data

- Over a million records received yearly
- Over 90% participation
- Record level data placed on UK data archive for all to view
- Data used for decision making, policy and of course parents and families

Data Quality

- **Automated validation within the tools**
- **Please ensure accurate dates of birth and dates of measurement – essential for an accurate BMI classification!**
- **Heights / weights need to be presented to one decimal place**
- **Please provide child postcodes and ethnicity codes**

Data Quality (cont.)
