9:00 am - 12:30pm with a sandwich lunch to follow

Select Security Stadium, Lowerhouse Lane, Widnes, Cheshire WA8 7DZ

[Click here for directions](#)

#KeepAntibioticsWorking

Aim

This event aims to strengthen the professional network, engagement and communication on AMR across Cheshire and Merseyside (C&M).

Objectives

1. Provide an up-to-date overview of AMR.
2. Engage with local professionals and partners (networking) to promote wider engagement on AMR within localities (Place Based Care Systems) and develop a shared understanding of the need for action.
3. Discuss case-examples of best practice and measured impact from local areas and relevant partners in Cheshire and Merseyside, and other areas of the North West of England.
4. Through group work and prioritisation exercises, consider interventions that Place Based Care Systems can implement.
5. Identify key actions that can be taken jointly across Cheshire and Merseyside, and that will support regional and national strategies.

Who should attend?

C&M AMR Board Members; PHE North West - Cheshire and Merseyside, Gr. Manchester & Cumbria and Lancashire; Local Authorities (Liverpool City Council, Cheshire West and Chester, Cheshire East, Warrington, Halton, Sefton, Knowsley, St Helens, Wirral) Public Health (Directors of Public Health, Specialists and Consultants in Public Health, Public Health Trainees); Communication Leads, and others e.g., elected members with relevant background/role such as Health & Wellbeing Board Chair; NHS England; CCGs; NHS Providers; Universities (Public Health Departments: Liverpool John Moores, University of Liverpool); Animal Health and Vet colleagues; and other interested parties and professionals.

Suite 2.2, Marwood, Riverside Park, 1 Southwood Road, Bromborough, Wirral CH62 3QX
