Background

Since the launch of the NO MORE suicide strategy in 2015, good progress has been made in Cheshire & Merseyside towards achieving our ambition of zero suicide. The purpose of this year's summit is to launch the updated NO MORE Suicide three year strategy and learn more about suicidal and self-harm behaviour.

Outcomes

- Raised profile of NO MORE Suicide Strategy and Action Plan
- Enhanced understanding of suicidal and self-harm behaviour
- Increased knowledge of preventative interventions for children and young people
- Engagement in local action planning across the life-stages
