It will also facilitate sharing of good practice across teams in Cheshire & Merseyside. Each learning hub will be hosted by a particular local authority and topics to be covered will be decided by the host area.

Please note capacity will be limited, so places will be allocated on a first-come, first-served basis.

#### **What will be the focus for Wirral's learning hub?**

Wirral's learning hub will focus on:

1. Healthy High Streets
2. Selective Licensing
3. Gambling

#### **Who should attend?**

Learning hub events are open to practitioners from Cheshire & Merseyside public health teams but attendees from wider local authority teams working in areas such as environmental health, planning, neighbourhood services are encouraged.

#### **How will the session run?**

Sessions will be informal and interactive to share and learn from each other.

The learning hub will cover three spotlight topics, with a round of interactive contributions from everyone attending.

Working together to improve health and wellbeing in Cheshire and Merseyside

At the end of the learning hub, attendees will get a chance to feedback ideas for future hubs including the format of the session.
