

Champs Collaborative Connect and Learn

#ProtectingCommunities

22 November 2024, 10.00 – 3.00pm

Platinum Suite, Halliwell Jones Stadium, Warrington, WA2 7NE

About this event

We are pleased to announce details of our annual learning event for 2024 for the health protection community in Cheshire and Merseyside (C&M).

The event will focus on work currently taking place across C&M around indoor air quality and consider how we might collaborate on indoor air quality to improve the health and wellbeing of our most vulnerable populations.

Aims of the event

- To learn more about C&M work on indoor air quality
- To look at future opportunities for collaboration to improve the wellbeing of the most vulnerable
- To discuss next steps that can be taken forward at a C&M level
- To give time for networking and informal discussions
